10+ LABELS TO ORGANIZE YOUR SUNDAY SUB TUB

Hey There!

I've spent nearly 20 years planning events, organizing programs, and working behind the scenes to make things happen. And if there's one thing I've learned, it's that running a ministry involves a whole lot more than just showing up on Sunday!

That's why I created KidMin Playbook: to share practical tools, organizational resources, and ideas that make the behind-the-scenes work a little easier.

My goal? Less time figuring everything out and more time doing what you love — ministry!
